# Printer Fleet
READY. SET. GO.

100% Web Based. Easy to Use. Easy to Love.

There's not a day that goes by when your workplace isn't buzzing with people gathered around copiers and printers, sending emails, or calling copy centers trying to figure out where their job is, why it's delayed, and how to get their project out faster.

We Move the Way You Move.

Our Printer Fleet Module helps everyone in the workplace stay one step ahead so employees can spend less time wondering and wandering, and more time working!

STAY ACCOUNTABLE

Accountability is maintained throughout the lifecycle of each request so you can identify the responsible staff member for each action in the fulfillment workflow.

MONITOR YOUR REQUESTS

Stay on top of every, single request – for any device. You'll get real-time visibility into requests that have been fulfilled, those that are outstanding, and those that are in process – so you know just what to expect, and when to expect it.

AUTOMATE EVERYDAY TASKS

like toner ordering and checking printer maintenance.

Track it your way, with The Trail Manager

EASY ROUTE MANAGEMENT

Track your tasks your way, with the Trail Manager. The Trail Manager easily allows you to define the who, what, when, where and how of every task, so you can monitor each step along the way, stay in control, and monitor and manage compliance.

PERSONAL PORTAL

Request a job, view the queue, and get real-time visibility into job status.
iOS & ANDROID COMPATIBLE

Securely access, update, monitor and report on activity – even when you are away from your desk.

DEVICE-SMART LINKING

Whatever your device, we can speak its language. Whether your printer uses a specific toner or ink or your copier needs a certain paper, we can speak the language of multi-functional devices – for easy, seamless communication between you and your workplace.

SMART REPORTING

Robust, baseline reports provide the history & stats you need to stay on top of Printer Fleet operations.

Power Up Your Printer Fleet Module with Performance Management

MANAGE OUTSOURCED SERVICE PROVIDERS to SLA based contracts, and negotiate better contracts based on the actual results obtained.
USE PROACTIVE PERFORMANCE MANAGEMENT to avoid lapses by flagging upcoming deadlines in real time.
